

LIGHT-DUTY GRAPPLE

Our light-duty grapples have a single-clam design enhancing productivity by allowing operators to grasp various sized debris at once. All tines and wear points are constructed of high-strength steel to ensure a longer life span in demanding conditions.

LIGHT-DUTY GRAPPLE

With a focus on efficiency and durability, these grapples are perfect for agricultural, Landscaping, and construction tasks. Their robust construction ensures they withstand daily wear and tear, while the user-friendly design makes them easy to operate. Whether you're clearing brush or managing farm waste, our light-duty grapples are engineered to enhance your workflow, providing a seamless blend of power and precision.
